

ENVIRONMENTAL EDUCATION OPPORTUNITIES AT HONEY HOLLOW

SUMMER CAMP POSITIONS

Summer Adventure Camp Group Leader (Full-Time)

The Summer Camp Group Leader reports to the Program Coordinator and will primarily work with the summer day camp program. This includes teaching camp groups each week (Monday through Friday), assisting with the development of curriculum, and assisting with the supervision of interns and volunteers. During non-camp weeks, the Group Leader may choose to take time off or work. If working, group leader will assist with other educational programming, prep for upcoming camp weeks, assist with general facility and grounds upkeep, and other tasks assigned by the Program Coordinator or Executive Director.

Nature Exploration Camp Group Leader (Part-Time)

The Summer Camp Pre-school Group Leader reports to the Program Coordinator and will primarily work with the half-day summer day camp program, children ages 4-5. This includes teaching camp groups each week, assisting with the development of curriculum, and assisting with the supervision of interns and volunteers. During non-camp weeks, the Group Leader may choose to take time off or work. If working, group leader will assist with other educational programming, prep for upcoming camp weeks, assist with general facility and grounds upkeep, and other tasks assigned by the Program Coordinator or Executive Director.

Assistant Camp Counselors

2 Full-time Seasonal and 1 Part-time Seasonal Positions Available. The Assistant Camp Counselors reports to the Group Leader and Summer Program Coordinator and will work with the assigned summer camp group. This includes assisting with teaching camp groups each week, prep for upcoming camp weeks, assist with general facility and grounds upkeep, and assist with ongoing projects.

Teacher Naturalists

Join our staff of teacher naturalists and share in the fun and satisfaction of teaching at Honey Hollow. Training is available to adults interested in working with school children and who are interested in preserving our environment, enthusiastic, able to work with children of all ages and abilities, flexible, and willing to learn new lessons. Participants should be able to work during the week, walk reasonable distances over uneven ground while carrying moderate amounts of weight and be willing to be outdoors during all types of weather. This is a paid seasonal position. Upon completion of training participants are expected to work at least 30 hours over the next 12 months provided sufficient opportunities are available. Clearances are required.

**TRAINING IS ON APRIL 7TH FROM 10AM-12PM
PLEASE EMAIL DIANE SMITH IF INTERSTED.**
